## Organizer of the conference

DA! GmbH from Darmstadt specializes in high-quality business events – from 20 to 1,000 participants. DA! takes care of all the details – from planning and issuing the invitations to the organization of special locations and the program.

Conferences, networking events, fireside chats, industry events? Get together with decision-makers and much more are all part of DA! GmbH's portfolio.

The Aviation-Event, one of the leading events in the aviation industry, and the Economic Summit on Germany involving decision-makers from the world of business, politics, society and administration, are two events that are known well beyond the borders of Germany that were held in recent years.

**Marcel Riwalsky, Managing Director of DA! GmbH,** holds a Master of Business Administration degree and Certificat d'Etudes Supérieures and has organized many high profile events in the past decade. As the initiator of Aviation-Event, he comes up with ideas for the event that goes by the same name as well as the concept for Aviation-Event Special. In the meantime, over 100 top speakers and discussion participants have been on stage in front of over 600 guests from politics and all sectors of business.

## Host of the conference

PhD. Eng. David CICEO  
CEO, Cluj International Airport

### Aviation-Event once again reveals to the world the true Gateway to Transylvania!

Cluj International Airport, the main gateway to the north-western region of Romania, is proud to host the 5th edition of Aviation-Event. This prestigious gathering marks the fourth time Aviation-Event has chosen Cluj-Napoca, further solidifying the region's importance on the global aviation map.

Strategically located in one of the country's most dynamic economic areas, Cluj International Airport has become a benchmark for growth and innovation in the aviation sector. Over the past decade, the airport has consistently demonstrated its capacity to Leverage the full potential of its catchment area, transforming itself into a key destination for both business and leisure travelers.

The journey of Cluj International Airport is one of ambition and vision. From serving 36,000 passengers annually in 1996 to exceeding 3.58 million passengers in 2025, this milestone is a testament to the airport's strategic investments in infrastructure and its commitment to delivering exceptional services. As a model of best practices, the airport is now regarded as a leading example in South-Eastern Europe for its forward-thinking approach and significant achievements.

Aviation-Event 2026 CLJ will be held in Cluj-Napoca, a city known as the "Heart of Transylvania," that highlights the region's unique combination of heritage and innovation. As a multicultural and academic hub, Cluj-Napoca is a vibrant city that plays a vital role in Romania's cultural, economic, and industrial landscape. It stands as the ideal location for high-level discussions and collaborations that will shape the future of aviation.

Cluj International Airport is honored to welcome aviation leaders and professionals to this landmark event, fostering an environment where ideas, experiences, and solutions come together to drive progress in the global aviation industry.
